

MAS Adoption Application - Rabbit

Please answer the following questions before deciding on your potential rabbit. We try to ensure the best possible match between animal and adopter. Remember that this is a lifetime commitment. You will be asked to sign a legal contract when adopting one of our rabbits and you must pay the adoption fee. Keep in mind the following points:

- Rabbits must be housed **indoors only**.
- You need to expect to provide the rabbit with a minimum of 30 hours of un-caged time per week.
- Rabbits may not be declawed.
- Indoor rabbits live an average of 8 - 10 years. We are looking for those special adopters who will make every effort possible to keep their companion for the entire life of the rabbit despite lifestyle changes (divorce, moving, etc.)
- Rabbits may not be adopted as gifts. All members of a household should visit the prospective rabbit and apply for adoption.
- Rabbits will not be placed in a home where there is an unneutered or un-spayed rabbit.

We do NOT adopt rabbits to children. We DO adopt rabbits to families. Parents must fill out this application and sign the adoption contract.

Please understand that the rabbits available for adoption are all housed in foster homes. We do not have a shelter facility. We rely on the kindness of volunteers to care for and socialize our foster rabbits.
